

Parent letter to a head teacher

School

Pupil Name:

Pupil Class:

Dear Head teacher,

We have seen an exciting new way for our child to be inspired and creative whilst learning, with a range of art forms as a natural part of their classroom activities and involving their teacher as a creative friend.

It is called  and offers children their very own Jam Studio in a safe school community with the ability to let family and friends know when new schoolwork is to be launched onto an online school stage.

As parents it would be great if we received an email every time a piece of our child's schoolwork was going to be launched onto your school stage.

We would really like to be able to share in this enjoyment and achievement and feel this is a great way for us to support our child's learning whilst at your school.

The web address is [www.edujam.org](http://www.edujam.org) where you can find out how simple it is for schools to join edujam. We would really look forward to this development.

Please can you let us know if there is anything else we can do to help make this happen.

Regards

Parent / Guardian
